

**Mather Street  
Year 6 Newsletter  
September 2020**

**Topic/ Science**

Our topic this half term is 'The Victorians.'

We will be learning about:

- The Industrial Revolution
- Countries in the British Empire
- How Oldham was transformed.

Our science topic this half term is electricity.

**Homework**

Each week your child will be sent home with Maths and SPAG activities that build on the learning in class.

Spellings will also be sent home and a reading book from the class library.

**English and Maths**

In English we will be reading the story, 'Street Child.' This text will create plenty of writing opportunities, including writing a diary extract for the main character- Jim.

In maths we will focus on place value, which will include reading, writing and partitioning numbers to ten million.

**Reminders**

- Your child will have PE on a Monday and Wednesday afternoon.
- Please check Tapestry for updates on our current learning.

Finally, we are thrilled to welcome everybody back. We are really excited about the year ahead.

Mrs Wrigley and Mrs Dalton 😊
