

**Mather Street
Year 5 Newsletter
September 2020**

Topic/ Science

Our topic this half term is 'The Vikings.'

We will be learning about:

- Who they were and where they come from,
- When they existed,
- The impact they had on our nation.

Our science topic this half term is 'Properties of Materials.'

Homework

Each week your child will be sent home with Maths activities that build on the learning in class.

Spellings will also be sent home and a reading book from the class library.

English and Maths

In English we will be reading the story, 'Viking Boy.' This text will create plenty of writing opportunities, including writing a diary extract for the main character- Gunnar.

In maths we will focus on place value, which will include reading, writing and partitioning numbers to one million.

Reminders

- Your child will have PE on a Monday and Thursday afternoon.
- Please check Tapestry for updates on our current learning.
- The year 5 email address is year5mather@gmail.com

Finally, we are thrilled to welcome everybody back. We are really excited about the year ahead.

Mr Turner, Miss Ali and Mrs Dalton ☺
