

# Year 1 Newsletter - September 2021

**Welcome back to school! Some general information for parents/carers.**

## Our learning this half term:

**Maths** – numbers to 10, sorting and counting objects, representing groups and objects, counting forwards and backwards, one more, one less, writing number words, forming numerals correctly.

**English** – enjoying storybooks - “Funnybones”, “The Everywhere Bear” and “Emily Brown and the Thing”

**Topic** – “All About Me”, naming and labelling body parts and facial features, how we have changed, naming and using our senses.

### Homework

Starting next week, your child will be given a Maths task and an English task to complete.

Tasks will be given out each Friday to be returned by the following Wednesday.

Homework will be marked and returned to you to keep on a weekly basis.

Your child will be provided with a labelled plastic wallet for this.

Thanks in advance for your support.

### Photograph

As part of our topic work we will be thinking about how we have grown and changed since we were babies.

Could we please have a photograph of your child when they were a baby to help in our lessons?

All original photographs will be copied and then returned to you – thanks.

**PE** – These lessons take place on Tuesday mornings. School provides the PE kit. Some lessons may take place outside so a pair of pumps would be useful too.

### Reading books

You will receive a separate letter regarding reading.

### Year 1 School times

Drop off - doors open 8:45am

Pick up – 3:15pm

Please could you label water bottles and lunchboxes too – thanks again.
